

AbbeloN™

Maximized Urea Protection

ACTIVE INGREDIENT

Proprietary blend of dicyandiamide (DCD), N-(n-butyl) thiophosphoric triamide (NBPT)

FOR UREA BLENDING

FOR AGRICULTURAL USE

(THIS IS A NON-PLANT FOOD PRODUCT)

GENERAL INFORMATION

AbbeloN is a combination of above & below ground nitrogen additives for use with urea fertilizer. AbbeloN contains NBPT to minimize volatility losses and dicyandiamide, a form of nitrogen that delays the below ground nitrification process. This improves the nitrogen utilization of the crop, by keeping the nitrogen in a more plant desirable form and delaying conversion to nitrates. AbbeloN is designed for top-dress/side-dress urea applications. AbbeloN will not provide below ground, season-long nitrogen protection.

DANGER!

CAUSES SEVERE SKIN BURNS AND EYE DAMAGE
SUSPECTED OF DAMAGING FERTILITY OR THE UNBORN CHILD
MAY CAUSE RESPIRATORY IRRITATION
COMBUSTIBLE LIQUID
KEEP OUT OF REACH OF CHILDREN

PRECAUTIONARY STATEMENTS

Keep away from flames and hot surfaces. No smoking. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use personal protective equipment as required. Wear protective gloves, protective clothing, eye protection and face protection. Do not breathe fumes, mist, vapors or spray. Use only outdoors or in a well-ventilated area. Wash skin thoroughly after handling. Contaminated work clothing should not be allowed out of the workplace. See Safety Data Sheet for further details regarding safe use of this product.

APPLICATION RECOMMENDATIONS

Urea Blending

Use a fertilizer blender with impregnation equipment to uniformly coat the urea particles. Blend AbbeloN with urea, before making a complete blend with other components. If blend appears wet, a drying agent may be added to the urea. AG 79 is an example of a drying agent. Add drying agent at 2-4 pounds per quart of AbbeloN and adjust up or down as desired pending outcome.

Use Rate: 3-4 quarts of AbbeloN/ton of urea.

Higher use rates provide longer above and below ground protection.

NOTES

There are no reentry restrictions unless AbbeloN is used with pesticides or fertilizer materials that have such restrictions. Observe all precautions on label and read Safety Data Sheet before use. Do not apply directly to water. Do not contaminate waterways and sewers during cleaning of equipment or disposal of wastes. Always follow applicable federal, state and local laws and regulations.

STORAGE & DISPOSAL

Store in a well-ventilated place. Keep cool. Keep container tightly closed. Store locked up. Dispose of contents and container in accordance with all local, regional and national regulations. Store product above 25°F. Avoid long-term storage at high temperatures. Product will degrade if stored at temperatures above 100°F.

FIRST AID

If exposed or concerned: Get medical attention. In case of fire use dry sand, water fog, carbon dioxide (CO₂), dry chemical or alcohol-resistant foam to extinguish. Refer to Safety Data Sheet for complete list of first aid measures.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (OR HAIR): Immediately take off all contaminated clothing. Rinse skin with water. Wash contaminated clothing before reuse.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Immediately call a poison control center or doctor.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical attention.

CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

Acceptance of Terms - By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

Warranty Disclaimers - Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

Inherent Risks - The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

Limitations of Liability - To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
