

# FUNCTION<sup>®</sup>

Protects Nitrogen in Applied Fertilizer / Below Ground

**Function** is a nitrogen stabilizer for use with urea-ammonium nitrate (UAN) solution fertilizer. **Function** contains dicyandiamide, a form of organic nitrogen that delays the below-ground nitrification process. This improves the nitrogen utilization of the crop, by keeping the nitrogen in a more plant desirable form and delaying conversion to nitrates.

### DIRECTIONS FOR USE

**Function** should be blended directly with UAN fertilizer solutions. **Function** is very stable & compatible and can be pre-blended in storage tanks or blended just prior to applying UAN. If pre-blended in storage tanks, tank recirculation is recommended before use.

### Use Rates

Many factors play a role in the nitrification process. Use the table below to determine actual use rates for a given soil pH and OM%.

	Pints of Function/Acre	
	Organic Matter (OM)%	
	OM < 2.5%	OM > 2.5%
pH 6-7	1.5	2.0
pH 7-8	2.5	3.0

Higher use rates provide longer inhibition.

### PRECAUTIONARY STATEMENTS

May be harmful if swallowed. Avoid contact with skin and eyes. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash hands thoroughly before eating, using tobacco or using toilet. See Safety Data Sheet for further details regarding safe use of this product.

### STORAGE & HANDLING

Do not contaminate food or feed by storage or disposal. Do not allow this product to contaminate water sources. Prevent back siphoning of liquids into wells or streams. Avoid improper disposal of excess spray mixture or rinsate.

**STORAGE:** Store above 0°F.

**HANDLING:** Wear protective gloves and eyewear when handling this product.

### FIRST AID

**IF SWALLOWED:** DO NOT induce vomiting. Give large amounts of water. Seek medical attention. Never give anything by mouth to an unconscious person.

**IF IN EYES:** IMMEDIATELY flush eyes with plenty of water for at least 15 minutes. If eye irritation persists, seek medical attention.

**IF ON SKIN:** Wash with soap and water for at least 15 minutes. If irritation persists get medical attention.

**IF INHALED:** Remove to fresh air. If not breathing, give artificial resuscitation. If breathing is difficult, give oxygen and call a physician.

### CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

**Acceptance of Terms** - By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

**Warranty Disclaimers** - Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

**Inherent Risks** - The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

**Limitations of Liability** - To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
