

### PRINCIPAL FUNCTIONING AGENTS:

Proprietary blend of detergents, emulsifiers, alkalinity agents, dispersants, solvents, chelators, and antiscalant chemicals.

Components exempt from the requirement of a tolerance in 40 CFR 180

### **GENERAL INFORMATION**

**KLEEN-UP ELITE** Advanced Spray System Cleaner is designed for cleaning tanks, lines and nozzles to remove residues left from pesticides and fertilizers.

**KLEEN-UP ELITE** Advanced Spray System Cleaner is formulated with detergents and surfactants that help break up and disperse solid residues into the rinse water solution for complete purging and more thorough clean-outs, reducing risk of cross contamination when used in conjunction with proper sprayer cleaning technique.

**KLEEN-UP ELITE** Advanced Spray System Cleaner removes large amounts of scale and rust that could plug screens and nozzles or expose hidden leaks. Do not use **KLEEN-UP ELITE** on nonferrous metals, such as soft aluminum, copper and brass.

**KLEEN-UP ELITE** Advanced Spray System Cleaner emulsifies oily residues in sprayer lines and hoses while elevating rinsate pH to degrade alkaline-sensitive crop protection products.

# DANGER KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed or inhaled. Causes severe skin burns and eye damage.

Causes serious eye damage. May be corrosive to metals.

May cause damage to respiratory tract through prolonged or repeated exposure.

### PRECAUTIONARY STATEMENTS

If medical advice is needed, have product container or label at hand. Read label and obtain special instructions before use. Wash skin, protective equipment and work clothes thoroughly after handling. Wear protective gloves, eye and face protection. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Do not breath dust, fumes, gas, mist, vapors or spray. Specific treatment is given in the First Aid section on this label or on the SDS. Take off contaminated clothing and wash it before reuse. See Safety Data Sheet for further details regarding safe use of this product.

### FIRST AID

**IF SWALLOWED:** Call a poison control center or doctor if person feels unwell. Rinse mouth. Have person drink large quantities of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give any fluids to an unconscious person. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

**IF ON SKIN:** Wash with plenty of water. Treat symptomatically. If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash before reuse. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor if person feels unwell.

## NET CONTENTS:

#### USE RATES

Use 1 qt/100 gallons of clean water.

### **DIRECTIONS FOR USE**

Drain the spray tank as completely as possible. Loosen any visible deposits. Add 50-100 gallons of clean water to the tank and add appropriate amount of **KLEEN-UP ELITE**. Remove nozzles, screen and strainers and thoroughly clean separately in a bucket, using **KLEEN-UP ELITE** as the cleaning agent; rinse with clean water. Ensure agitation and carefully clean the interior of the tank, using a 360-degree rotation nozzle or pressure sprayer. Agitate and circulate for 15 minutes. Flush the cleaning solution through the boom, hoses and nozzles until tank is empty. Drain lines and pump. Dispose of rinsate according to local, state and federal regulations. Add 50-100 gallons of clean water to the tank. Recirculate through the entire system. Flush solution through the boom, hoses and nozzles until tank is empty. Drain the tank, lines and pump completely. Remove excess rinsate with a pump or dedicated wet/dry vacuum. Test rinse solution for pesticide residue. If residue free, dispose of according to local, state and federal regulations. If not, repeat rinsing procedure.

After cleaning procedures have been completed, fill tank with clean water and conduct a rinsate test on the water in the tank. Rinsate tests can be done through laboratory analysis or bioassay. For bioassay testing, apply rinsate to sensitive vegetation and observe treated plant for at least 48 hours. If damage occurs, repeat cleaning process and testing procedures.

### STORAGE & DISPOSAL

If product freezes, warm to room temperature and agitate before use. Keep containers sealed when not in use and keep locked up. Store away from incompatible materials. Store in original container only or in a corrosive resistant container with a resistant inner liner. Avoid release into the environment. Do not reuse empty container. Triple rinse (or equivalent) prior to disposal. Decontaminated containers and materials must be disposed of in accordance with all applicable regulations.

### CONDITIONS OF SALE AND LIMITATIONS OF WARRANTY AND LIABILITY

<u>Acceptance of Terms</u> - By purchase or use of this product, buyer and user accept these conditions of sale and limitations of warranty and liability. If these terms are unacceptable, return the product unopened for a refund.

<u>Warranty Disclaimers</u> - Rosen's Inc. and seller (collectively "Vendors") warrant that this product conforms to the chemical description on the label. THIS PRODUCT IS SOLD "AS IS" AND VENDORS MAKE NO OTHER WARRANTY, EXPRESS OR IMPLIED, AND SPECIFICALLY DISCLAIM THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE. AND NON-INFRINGEMENT.

<u>Inherent Risks</u> - The directions for use must be followed carefully. It is impossible to eliminate all risks associated with this product. Crop injury, ineffectiveness, or other unintended consequences may result due to factors beyond the control of Vendors. Buyer and user assume all risks associated with the use or handling of this product.

<u>Limitations of Liability</u> - To the extent consistent with applicable law, buyer or user's exclusive remedy for any and all claims, losses, injuries, or damages resulting from the use or handling of this product shall be limited to the purchase price paid, or at the election of Vendors, the replacement of this product. Vendors are not liable for any consequential, incidental, or special damages, including lost profits.
