

# STRIDE<sup>®</sup>BIO<sup>™</sup>

## ADVANCED SEED COATING

### Allow Your Yield Potential to Take Strides

#### Features & Benefits of Stride Bio

- Biological complex focused on root growth and in-season stress defense
- Contains key ingredients that are immediately available for uptake to enhance germination and early vigor
- Incorporates Yield Burst, providing sources of energy for both microorganisms and plants to fuel crop performance
- Talc and graphite in an 80/20 blend dry seed and improve flowability, which replaces standard talc/graphite being used

#### Instructions for Use

- Use the same way as standard graphite/talc flow agents
- **Hopper Boxes:** expect best results by gently stirring in product
- **Center Fills:** add product in conjunction to adding seed

#### Premier Product in a Convenient and Easy-to-Use Package

##### 8 lb. Shaker

For your convenience, one shaker treats one box of corn seed or two boxes of soybean seed

##### 35 lb. Mag-Pack

- Resealable - *Screw-top bucket!*
- Keeps product air-tight and secure

#### RATE / LBS OF SEED

**CORN** 6 oz/100 lbs

**SOYBEANS** 3 oz/100 lbs

**SMALL GRAINS** 1-3 oz/100 lbs

**COTTON** 12 oz/100 lbs

**ALL OTHERS\*** 4 oz/100 lbs

#### CALCIUM

1.0%

#### MAGNESIUM

0.5%

#### IRON

0.1%

#### SULFUR

4.0%

#### MANGANESE

4.0%

#### ZINC

10.0%

\* All Other Crops Include Alfalfa, Canola, Dry Beans, Grain Sorghum, Peanuts, Rice, Sugarbeet, Sunflower
